

The Almor West Creed

I am an Almor West Student.
I am unique.
I have great expectations for myself.
I accept the challenge to become the
best that I can be.
Yesterday's mistakes are behind me.
Today's successes are now before me.

Welcome to Almor West Elementary

We at Almor West Elementary are excited about the opportunity to be a part of your child's life, whether you're here due to a military reassignment, new job opportunity, or family ties. Almor West's strong tradition for achieving academic excellence has been built on a foundation of high expectations for student learning. We strive to provide every child with the best educational experience possible while creating a safe, nurturing environment in which to learn. Our staff is committed to helping your child realize his/her full potential as an individual, a life-long learner, and as a good citizen in our ever-changing world.

We believe the children are our future.

At Almor West we believe each and every child has the potential to bring something special and unique to the world. We have high expectations for our students and work diligently to help them become responsible, self-motivated learners. Therefore, our priority at Almor West is to foster the students' intellectual, social, emotional, and physical growth while helping them realize their own potential as capable, educated individuals. We strive to celebrate their successes and the qualities that make them unique. We have a vision of a world where individuals learn to respect, accept, and embrace the differences between us as the core of what makes life so fascinating. Working together as a team, we will make a difference in the life of your child.

P.B.I.S.

Almor West utilizes the "Positive Behavioral Interventions and Supports" framework when making decisions about our school and our students. The goal of "PBIS" is to assist us in implementing the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.

Our entire staff is dedicated to taking a proactive approach when addressing academic and behavior issues. We choose to focus our attention on recognizing and rewarding our students' positive behaviors and successes. Students earn "Gotcha's" for demonstrating good behavior (the 5 simple points as illustrated on our star) and later trade their "Gotcha's" for prizes or special opportunities throughout the year.

You Are an Important Part of Our Team

Staff members at Almor West pride themselves on developing and maintaining open communication between school and home. Parents are always welcome and are encouraged to take an active role in their child's education. Volunteer in your child's classroom or take a leadership role on the P.T.A. board. Either way, your involvement tells your child you value his/her education.

There are many opportunities for active parent involvement in school organizations at Almor West:

Parent/Teacher Association (P.T.A.)

Booster Club

APLAS
